## Construction begins on I-94 Business Loop/Villard Street in Dickinson

Construction work has begun on the I-94 Business Loop/Villard Street in Dickinson. The project consists of curb replacement and asphalt overlay. The project will be completed in two phases with the first phase consisting of curb replacement.

During the project:

- Villard Street will have a single lane closure when workers are present
- Speeds will be reduced to 25 mph
- Flaggers will be present

The entire project is expected to be completed this fall.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.
