Construction begins this week at the Buxton interchange crossing I-29

Construction will begin this week at the Buxton interchange/Buxton crossroad crossing I-29. The project consists of bridge deck replacement on Buxton crossroad. Motorists on I-29 will be minimally impacted by the project.

During construction:

- Buxton crossroad will be CLOSED to motorists. A signed detour will be provided.
- Speeds may be reduced
- Flaggers will be present

The project is expected to be complete in August.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.
