## Water has receded on ND Highway 18 near Fordville Junction

The North Dakota Department of Transportation (NDDOT) is reporting that water has receded from the roadway on ND Highway 18 one mile south of the Fordville Junction.

**The following roadway remains closed due to flooding:**

- ND Highway 200 four miles east of Hurdsfield (or one mile west of Chasely).

**The following highways are affected by flood waters, but remain open to traffic, with traffic speeds reduced:**

- ND Highway 200, four miles west of Hurdsfield.
- US Highway 83 northbound lane approximately nine miles north of Max.

Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway. The NDDOT encourages motorists to check road conditions before traveling due to rapidly changing conditions. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at [www.dot.nd.gov](http://www.dot.nd.gov).

Please be advised that road condition information on 511 and the travel map is updated daily from 5 a.m. until 9 p.m. CDT. The road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.
