ND 13 closed eight miles west of Gwinner and ND 32 is closed from Gwinner to Lisbon due to flooding, Water reported on ND 18 in Wyndmere

The North Dakota Department of Transportation (NDDOT) and ND Highway Patrol have **closed** ND Highway 13 approximately eight miles west of Gwinner and ND 32 from Gwinner to Lisbon due to heavy rains causing flooding. Motorists are advised to take alternate routes. There is also water on the roadway on ND Highway 13 in the town of Gwinner and ND Highway 18 in Wyndmere. Traffic is allowed with speeds are reduced.

The following highways are affected by flood waters, but remain open to traffic, with traffic speeds reduced:

- ND Highway 14, twelve miles north of Towner
- US Highway 83, nine miles north of Max – Temporary grade raise in place with single lanes of traffic in both directions.
- ND 53, near Benedict
- ND Highway 200, four miles west of Hurdsfield.
- ND Highway 200, four miles east of Hurdsfield - Temporary Grade raise in place with a single lane of traffic.

Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway. The NDDOT encourages motorists to check road conditions before traveling due to rapidly changing conditions. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at www.dot.nd.gov.

The road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.
