## Construction begins this week on US 2 east of Devils Lake

Construction began this week on US Highway 2 east of Devils Lake to replace a box culvert.

During the project motorists should be aware of the following:

- Eastbound traffic will intermittently be diverted to the westbound lane, creating head-to-head traffic.
- Speeds will be reduced.
- A width restriction of 10 will be in place.

The project is expected to be complete in October.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
