## **ND Highway 6 from Selfridge north to ND Highway 24 temporarily closed due to washout**

The North Dakota Department of Transportation (NDDOT) along with the North Dakota Highway Patrol have temporarily closed ND Highway 6 from Selfridge north to ND Highway 24 due to a washout under the road. Motorists must use an alternate route.

Road closed signs and barricades are placed on roads and bridges for the safety of the traveling public. It is against the law to drive past a road closure device on a closed road. Motorists who drive around signs or move barricades are unnecessarily endangering their lives and taking serious risks.
