Speeds to be reduced to 35 mph on ND Highway 1804 one mile north of New Town

Speeds will be reduced to 35 mph on ND Highway 1804 one mile north of New Town beginning Monday, July 7 for continued work on the New Town Truck Reliever Route. Work on this portion of the project will be completed in late August.

The New Town Truck Reliever Route project also includes reconstruction, paving, installing new intersection signals, and widening of the roadway for an additional turn lane at the intersection of ND Highway 23 and 87th Avenue Northwest one mile east of New Town. Work on this portion of the project will be completed in November.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>
