Construction begins today on Gateway Drive from 55th Street to Interstate 29 in Grand Forks

Construction will begin on Monday, July 7 on Gateway Drive in Grand Forks. This concrete pavement repair project will begin at 55th Street and will extend to I-29 and include the northbound and southbound on/off ramps. Work will first take place on the ramps then move to Gateway Drive in August.

During construction:

- One lane will be closed in each direction on Gateway Drive
- Motorists should expect delays and speed reductions
- Flaggers will be present
- A width restriction of 12 feet will be place and may vary through the duration of the project

Alternate route is recommended for oversize loads.

This project is expected to be completed by early-September.
