

October 15, 2014

Detour to be in place beginning today, October 15, on 51st Street north of the 2/85 intersection in Williston for paving work

Traffic on 51st Street Northwest in Williston will be moved onto a temporary detour north of the US Highway 2/85 intersection in Williston beginning today, October 15, from the intersection of 51st Street Northwest and Bennett Loop, to the intersection of 51st Street Northwest and 141st Street Northwest for paving work. This is part of the Williston Truck Reliever Route project.

During construction:

- Speeds will be reduced to 25 mph

The detour will be removed at the end of October.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely. To learn more about this year's projects visit www.nddotwilliston.com.
