ND Highway 1804 detour in Williston removed today, October 31, as part of Williston Main Street Reconstruction project

The ND Highway 1804 detour in Williston has been removed today, October 31, as part of the second phase of the Williston Main Street Reconstruction project. 1804 traffic was previously detoured onto 2nd Street. Work is continuing on Main Street from Front Street East to the East Broadway intersection in Williston. The Main Street Reconstruction project will include replacement of storm drains, sewer, water, sidewalks, landscaping and signal lights.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely.
