Interstate 94 traffic reduced to one lane three miles east of Bismarck and 80th Street Bridge closed until further notice

Traffic on Interstate 94 will be temporarily reduced to one lane in the eastbound lane approximately three miles east of Bismarck to clear the area due to a vehicle hitting the bridge. The 80th Street Bridge, which crosses I-94 east of Bismarck, is closed until further notice to evaluate structural damage to the bridge.

80th Street will be closed from Burleigh County Highway 10 north to 43rd Avenue. Only local traffic will be allowed on 80th Street to the bridge closure point. The bridge will remain closed until further notice.
