16th Avenue West and 16th Street West intersection in Williston closed for utility work

The 16th Avenue West and 16th Street West intersection in Williston is temporarily closed to traffic to allow crews to begin relocating utilities. This is part of the 11th Street construction project which will connect 11th Street West to 16th Avenue West near the Western Star Complex in Williston.

During construction:

- Motorists and pedestrians should use caution when traveling through the area.

The 11th Street project is scheduled to be complete this fall.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
