## **Lewis and Clark Bridge south of Williston to be reduced to one lane tonight for bridge repair work**

The Lewis and Clark Bridge on US Highway 85 south of Williston will be reduced to one lane from 7:30 p.m. to midnight today, June 24, to allow crews to perform bridge repair work.

During construction:

- Only one lane will be open to traffic. Motorists will take turns crossing the bridge.
- Flagger will be in place to direct traffic across the bridge.
- Motorists should expect delays

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
