## **ND Highway 15 open from ND 20 to ND 1**

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have opened ND Highway 15 from the junction of ND Highway 20 to ND Highway 1. The closure was due to the potential of flooding three miles west of Pekin.

The NDDOT encourages motorists to check road conditions before traveling due to rapidly changing conditions. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at [www.dot.nd.gov](http://www.dot.nd.gov).

Road closed signs and barricades are placed on roads and bridges for the safety of the traveling public. It is against the law to drive past a road closure device on a closed road. Motorists who drive around signs or move barricades are unnecessarily endangering their lives and taking serious risks. For emergency assistance call 911.
