Long X Bridge south of Watford City open Saturday and Sunday nights; Nighttime repair work will resume on Monday, April 13

The Long X Bridge on US Highway 85 south of Watford City will be OPEN for the weekend beginning Saturday morning at 7 a.m., as crews will not be working on the bridge during nighttime hours on Saturday, April 11 and Sunday, April 12. Repair work will resume on Monday night, April 13 and the bridge will be closed nightly for work from 7 p.m. to 7 a.m. The work is expected to take approximately one month to complete.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, Bowbells, Crosby and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely. To learn more about this year's projects visit www.nddotwilliston.com.
