## **Williston Truck Reliever Route reduced to one lane in each direction near US 2/85 intersection during the day next week**

The Williston Northwest Truck Reliever Route will be reduced to one lane in each direction during daylight hours from the US Highway 2/85 intersection for approximately two miles north to 52<sup>nd</sup> Street Northwest beginning Monday, May 4, to allow lighting work to take place.

The lighting work is expected to be completed on Friday, May 8.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
