US Highway 2 reduced to one lane at intersection of US Highway 83 West Bypass near Minot for maintenance work

Repair will take place at the intersection of US Highway 2 and the US Highway 83 West Bypass near Minot on Tuesday, May 5. Traffic will be reduced to one lane in each direction on US Highway 2 through the intersection while work is taking place.

During the work:

- Speeds will be reduced
- Lanes reduced to one lane in each direction on US Highway 2
- Flaggers will be present to direct traffic

The maintenance work is expected to start at approximately 8 a.m. and be completed by 4 p.m.
