Construction to begin on US 2 from Minot to Granville

Construction will begin on Wednesday, June 17, on the westbound roadway of US Highway 2 from Minot to one mile east of Granville. The project consists of paving, rumble strips and pavement markings.

During construction:

- Westbound US 2 will be reduced to one lane in the work zone
- Speeds will be reduced
- A width restriction of 15 feet will be in place

Milling and paving is expected to be completed at the end of July at which time lane closures will be removed. The remainder of the project will be completed by mid-August.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
