## Construction begins on south ramps of exit 61 in Dickinson

Construction began this week on the south ramps of exit 61 along I-94 in Dickinson. The project consists of installing traffic signals at the intersection. Once signals are in place, eastbound vehicles on I-94 will easily be able to exit onto ND 22.

During construction:

- There will be periodic daytime short term lane closures.
- Flaggers may be present

The project is expected to be completed this fall.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
