## Construction begins on US 52 at Drake Intersection

Construction will begin Monday, June 22, on US Highway 52 at the Drake Intersection. The project consists of roadway realignment and grade raise.

During construction:

- Speeds will be reduced
- A 13 foot width restriction will be in place
- Flaggers and pilot car will be present
- Motorists may experience delays
- Gravel will be present on the roadway once the temporary roadway surface is established

The project is expected to be complete in September.
