## **Temporary lane closure begins tomorrow on US Highway 2 east of Granville**

Construction on 14.4 miles will begin tomorrow on the eastbound lane of US Highway 2 approximately 1.7 miles east of Granville to 2 miles west of Jct. of ND 14. During construction, the eastbound roadway will be closed to one lane of traffic and motorists should expect delays. The work will consist of a concrete pavement repair project.

### **During construction:**

- Work zone will be controlled by flaggers
- A 14 to 16 ft. width restriction will be in place depending on which lane is closed
- Motorists should expect delays
- Speeds will be reduced to 40 mph
- Eastbound traffic will be reduced to one lane

The project is expected to be completed by the end of September.
