Construction begins next week on ND Highway 22 from New England to Dickinson

Beginning next week, construction will begin on ND Hwy 22 from the ND Hwy 22 and ND Hwy 21 junction in New England to Dickinson. Work during this project includes chip sealing and pavement markings. Crews will also install a traffic recorder system and a surveillance camera system in the work zone.

During Construction:

- Speeds will be reduced
- 16-foot width restriction will be in place
- Flaggers and Pilot cars will be in place at times
- Oil and loose rock will be on the roadway
- Motorists should expect minor delays

Motorists need to watch for trucks entering and exiting the highway within and around the work zone. This project is expected to be complete by early-August.
