Westbound Grant Marsh Bridge lanes open to traffic

The westbound lanes of the Grant Marsh Bridge on I-94 between Bismarck and Mandan are now open to traffic as a routine bridge inspection has been rescheduled for later this week. The westbound lane was scheduled to be reduced to one lane today and tomorrow for a bridge inspection but has been rescheduled for later this week due to weather.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
