4th Street and Main Street intersection in Williston to reopen to traffic today; 5th Street intersection to close temporarily

Beginning today, August 10, the 4th Street and Main Street intersection in Williston will reopen to traffic. However, the 5th Street and Main Street intersection will temporarily close to allow crews to continue work. The Main Street Reconstruction project includes replacement of storm drains, sewer, water, sidewalks, landscaping and signal lights.

Additional information regarding this project will be released throughout the construction season.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement.
