Westbound Bismarck Expressway Bridge temporarily reduced to one lane Tuesday, August 11, for maintenance work

The westbound Bismarck Expressway Bridge will be temporarily reduced to one lane of traffic on Tuesday, August 11 from 8:30 a.m. to 4 p.m. (weather dependent) for routine maintenance work. During the work, traffic speeds will be reduced to 40 mph and a 14 foot width restriction will be in place.

Motorists are urged to use caution and take alternate routes if possible during this time period. To help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.
