## **Traffic to be rerouted around ND Highway 58 and 200 intersection east of Fairview starting Saturday, August 15**

Beginning Saturday, August 15, traffic will be rerouted onto a newly created onsite detour around the intersection of ND Highway 58 and ND Highway 200 east of Fairview to allow crews to begin work on a roundabout at the intersection. In addition, traffic may be reduced to one lane in some areas along ND Highway 200 from east of the ND Highway 58 intersection to the 159<sup>th</sup> Avenue intersection for pipe culvert construction. Motorists should use caution when traveling through the area and should follow all posted signage.

During construction:

- Motorists should expect delays
- Flaggers may be present
- Speeds will be reduced to 20 mph
- A 12-foot width restriction will be in place

The roundabout is scheduled to be completed this fall.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
