Lane shifts to take place near Lewis and Clark Bridge south of Williston beginning on Monday, August 17

Lane shifts will be in effect on US Highway 85 from one mile south of the Lewis and Clark Bridge south of Williston to the US Highway 2/85 intersection to allow crews to perform paint striping work. Two lanes of traffic will be maintained at all times. Motorists should use caution when traveling through the area and should follow all posted signage.

Paint striping will be completed in approximately one week.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
