Eastbound and westbound shoulder closure in place on US Highway 2 in Williston

The eastbound and westbound shoulder lanes of US Highway 2 approximately 600 feet southwest of 9th Avenue in Williston are temporarily closed to allow crews to perform utility work. This is part of the 11th Street construction project which will connect 11th Street West to 16th Avenue West near the Western Star Complex in Williston.

During construction:

- Motorists should use caution when traveling through the area as crews will be present.

The shoulder closure will be in place through Saturday, August 22.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
