Construction on Main Street in Mandan from 10th Ave NW to Collins Ave. to affect traffic starting Tuesday, September 8

Beginning Tuesday, September 8, portions of Main Street in Mandan along with the adjacent sidewalk will be closed for pedestrian ramp and crosswalk improvements. Work will take place along Main Street between 10th Ave NW to Collins Ave., with one side of the roadway under construction at a time. Temporary crosswalks and pedestrian ramps will be in place to facilitate pedestrian movements around construction sites. Traffic control and an eastbound lane closure will be in place during the day while work is taking place.

During Construction:

- Follow traffic control for lane closure in work areas
- Motorists and pedestrians should follow all posted signage
- Motorists may experience delays

Work on the project is expected to take approximately three weeks.
