## **Construction on Main Street in Mandan from 10<sup>th</sup> Ave NW to Collins Ave. starts next week**

Construction will begin the week of September 14 on portions of Main Street in Mandan. Work will take place along Main Street between 10<sup>th</sup> Ave NW to Collins Ave., with one side of the roadway under construction at a time. Temporary crosswalks and pedestrian ramps will be in place to facilitate pedestrian movements around construction sites. Traffic control and an eastbound lane closure will be in place during the day while work is taking place.

### During Construction:

- Follow traffic control for lane closure in work areas
- Motorists and pedestrians should follow all posted signage
- Motorists may experience delays

Work on the project is expected to take approximately one month.
