Main Street and 5th Street intersection in Williston to reopen Tuesday, September 15; 6th Street intersection to temporarily close

Beginning on Tuesday, September 15, the 5th Street and Main Street intersection in Williston will reopen to traffic. However, the 6th Street and Main Street intersection will temporarily close to allow crews to continue work. The Main Street Reconstruction project includes replacement of storm drains, sewer, water, sidewalks, landscaping and signal lights.

Additional information regarding this project will be released throughout the construction season.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement.
