Portion of 11th Street near US Highway 2 in Williston reduced to two lanes beginning tomorrow, Wednesday, September 23

A portion of 11th Street West, west of the junction of US Highway 2 in Williston will be reduced to two lanes beginning tomorrow, Wednesday, September 23, to allow crews to perform pipe installation. This is part of the 11th Street construction project which will connect 11th Street West to 16th Avenue West near the Western Star Complex in Williston. During construction, motorists should use caution when traveling through the area as crews will be present.

The lane reduction will be in place through the end of October.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
