County Road 53 traffic moved onto roundabout east of Watford City tomorrow, September 24

On Thursday, September 24, traffic on McKenzie County Road 53 east of Watford City will be moved from a temporary detour route onto the newly-constructed portion of the roundabout at the intersection of ND Highway 73 and ND Highway 23 (Johnson's Corner). McKenzie County Road 53 traffic will utilize a portion of the roundabout to travel east and west on ND Highway 23. However, work continues on the remaining portions of the roundabout and other traffic at the intersection area will continue to utilize the detour routes in place.

During construction:

- Motorists should expect delays.
- Speeds are reduced to 25 mph at the roundabout
- A 12-foot width restriction is in place

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
