College Drive in New Town expected to reopen on Monday, September 28

College Drive near the Main Street/ND Highway 23 intersection in New Town is expected to reopen to traffic on Monday, September 28. College Drive was temporarily closed to allow crews to work on the New Town Main Street Reconstruction project. This project includes concrete overlay, roadway widening, shoulder reconstruction, storm drain reconstruction, curb and gutter reconstruction, sewer reconstruction, and water main reconstruction, lighting and signals.

Motorists should expect varying traffic restrictions in the project area throughout the construction season.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
