ND Highway 73 traffic to be moved onto roundabout east of Watford City October 9

On Friday, October 9, traffic on ND Highway 73 east of Watford City will be moved from a temporary detour route onto the newly-constructed portion of the roundabout at the intersection of ND Highway 73 and ND Highway 23 (Johnson's Corner). However, work continues on the remaining portion of the roundabout and other traffic at the intersection area will continue to utilize the detour routes in place.

During construction:

- Motorists should expect delays.
- Speeds are reduced to 25 mph at the roundabout
- A 12-foot width restriction is in place
- Motorists should obey all posted signage

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
