## **Four Bears Bridge near New Town temporarily reduced to one lane today and tomorrow**

Traffic will be temporarily reduced to one lane during the daylight hours on the Four Bears Bridge on ND Highway 23 near New Town today, October 26, and tomorrow, October 27, to allow crews to perform maintenance work. Motorists will have to take turns crossing the bridge.

During the project:

- Flaggers will be stationed at each end of the bridge
- Motorists should expect short delays

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
