Interstate 29 southbound lanes closed near Bowesmont

The North Dakota Department of Transportation and the North Dakota Highway Patrol have closed Interstate 29 southbound lanes at a point approximately two miles north of Bowesmont, which is located between Drayton and Pembina. The roadway is blocked and will be closed until further notice.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.

The NDDOT works hard to keep travelers informed of road conditions. However, the road conditions are not reported 24 hours a day but updated every day from 5 a.m. to 10 p.m. Central Time, including holidays. It's important to remember that the conditions may vary from what is being reported.
