Traffic delays on Lewis and Clark Bridge on US 85 south of Williston during overnight hours on Friday and Monday nights

Motorists traveling on the Lewis and Clark Bridge on US Highway 85 south of Williston will experience delays during the overnight hours on Friday, July 15 and Monday, July 18. The delays will occur beginning at 10 p.m. each night and will conclude by 5 a.m. the next morning. In order to complete bridge construction work, this delay will occur periodically throughout the next few months. For up to date information on traffic delays go to the Travel Information Map at <http://www.dot.nd.gov/travel-info-v2/>.

During this time:

- Motorists may have to stop and take turns to cross the bridge and the bridge will be closed to traffic for short times throughout the night.
- Delays are expected to be approximately 20 minutes.
- A width restriction of 16 feet will be in place.
