Construction begins August 1 on ND Highway 13 on the east side of Wyndmere

Construction work will begin Monday, August 1, on the bridge structure that crosses over the Soo Line Railroad on the east side of Wyndmere (between Wyndmere and I-29). Work will consist of slab replacement on the bridge approach, guardrail and a mill and overlay. Concrete barriers and a temporary traffic signal will be in place to help direct traffic.

During construction:

- Speeds will be reduced to 25 mph in the work zone
- Traffic will be restricted to one lane on the bridge
- A width restriction of 15 feet will be in place
- Flaggers will be present when needed
- A temporary signal systems will be in place to allow traffic to take turns while bridge work is ongoing
- Motorists may experience short delays

Motorists should use caution when traveling through the work zone. The work is expected to be completed early this fall.
