<b>ADDITIONAL NOTES</b>						
Preliminary Plan Reviews and PS&E Plan Reviews shall be organized around the schedule of the District.						
Final Office Plan Reviews shall be organized around the Director for Office of Project Development, Design Engineer, or Bridge Engineer schedule.						
The District needs to sign the "District Review" box on the title sheet of the plans for:						
<ul style="list-style-type: none"> <li>All Strategic Projects</li> <li>District developed plans that are Minor Rehabilitation, Structural Improvement, Major Rehabilitation, or New/Reconstruction</li> </ul>						
Preventive Maintenance plans only need to be sent to the Technical Support Person, ETS - Technical Services, and the District for review.						
Invitations for the plan review should be sent with Microsoft Outlook Calendar. Do not send invite directly to FHWA, please forward the invitation for FHWA to your Division's Administrative Assistant for coordination with FHWA on project stewardship and oversight plan.						
<ul style="list-style-type: none"> <li>List the PCN, Project Number, and FHWA Involvement, and if it is a CORE project within the subject line.</li> <li>Include the location of the electronic plans and any travel planning within the meeting invitation.</li> <li>Attach the cost estimate to the invitation, do not post the cost estimate on the ftp site.</li> </ul>
