

CATEX by Definition (CED) Work Types

-The following work types may utilize the CED Checklist for environmental documentation, coordination, and approval.

-The “(c)-list” category for each work type is shown below to coordinate with SFN 18878 documentation.

-The CED checklist and SFN 18878 can be found at: [NDDOT - Design Manual References and Forms](#)

-Contact ETS Division for any work types not listed below.

- | | |
|---|--|
| (c)2 - Installation of Electrical & Communication Lines | (c)26 - Mudjacking or Foamjacking |
| (c)3 - Pedestrian Facilities | (c)26 - Approach Foreslope Flattening |
| (c)3 - Curb Extensions/Bulb-Outs | (c)26 - Ditch Block Flattening |
| (c)3 - Curb Ramps | (c)26 - Superelevation Correction with Minor Grading |
| (c)3 - Streetscaping (Benches, etc..) | (c)26 - Turn Lanes |
| (c)7 - Landscaping | (c)26 - Median Crossovers |
| (c)8 - Fencing | (c)26 - Temporary Ramp Connections |
| (c)8 - Signing | (c)26 - Curb & Gutter repair and replacement |
| (c)8 - Pavement Marking | (c)26 - Pipe Repairs or Pipe Liners |
| (c)8 - Traffic Signals | (c)26 - Pipe Installation or Jack/Bore Pipe |
| (c)8 - Railroad Crossings & Warning Devices | (c)26 - Inlet or Manhole repair or replacement |
| (c)8 - Small Passenger Shelter | (c)27 - Lighting |
| (c)21 - Intelligent Transportation Systems | (c)27 - Guardrail and Guardrail Embankment |
| (c)24 - Geotechnical Borings | (c)27 - Concrete Median Barrier |
| (c)25 - Environmental Mitigation | (c)27 - Rumble Strips |
| (c)25 - Infiltration Basins | (c)27 - Approach Slab Work |
| (c)26 - Hot Mix Asphalt Surfacing | (c)28 - Bridge Deck Overlays |
| (c)26 - Warm Mix Asphalt Surfacing | (c)28 - Bridge Deck Replacement |
| (c)26 - Cold in Place Recycling | (c)28 - Beam, Pier, or Abutment Repairs |
| (c)26 - Aggregate Surfacing | (c)28 - Substructure & Deck Sealing |
| (c)26 - Milling | (c)28 - Repair of Hard Surface Slope Protection |
| (c)26 - Concrete Overlay | (c)28 - Bridge Rail Retrofit |
| (c)26 - Subcuts | (c)28 - Painting |
| (c)26 - Seal Coat | (d)6 - Disposal of excess right of way |
| (c)26 - Slurry Seal | |
| (c)26 - Microsurfacing | |
| (c)26 - Macrosurfacing | |
| (c)26 - Patching | |
| (c)26 - Crack Repairs & Sealing | |
| (c)26 - Dowel Bar Retrofit | |
| (c)26 - Concrete or Asphalt Pavement Repair | |
| (c)26 - Grinding | |
