

Public Open Houses

The North Dakota Department of Transportation (NDDOT) is developing a Statewide Active and Public Transportation Plan (ND Moves) to review and identify existing and emerging needs, and recommend strategies for the future of biking, walking, rolling, and transit across the state.

We want to hear from state, regional, and local stakeholders.

We've been in Fargo, Grand Forks, Williston, Minot, and Bismarck - **please join us for three more open houses** across the state where you will be able to learn more about this plan, interact with project staff, and share your thoughts.

DICKINSON

Tues. December 12, 2017 | 4-7pm
