CATEX by Definition (CED) Work Types

-The following work types may utilize the CED Checklist for environmental documentation, coordination, and approval.

-The "(c)-list" category for each work type is shown below to coordinate with SFN 18878 documentation.

-The CED checklist and SFN 18878 can be found at: NDDOT - Design Manual References and Forms

-Contact ETS Division for any work types not listed below.

(c)2 - Installation of Electrical & Communication Lines
(c)3 - Pedestrian Facilities
(c)3 - Curb Extensions/Bulb-Outs
(c)3 - Curb Ramps
(c)3 - Streetscaping (Benches, etc..)
(c)7 - Landscaping
(c)8 - Fencing
(c)8 - Signing
(c)8 - Pavement Marking
(c)8 - Traffic Signals
(c)8 - Railroad Crossings & Warning Devices
(c)8 - Small Passenger Shelter
(c)21 - Intelligent Transportation Systems
(c)24 - Geotechnical Borings
(c)25 - Environmental Mitigation
(c)25 - Infiltration Basins
(c)26 - Hot Mix Asphalt Surfacing
(c)26 - Warm Mix Asphalt Surfacing
(c)26 - Cold in Place Recycling
(c)26 - Aggregate Surfacing
(c)26 - Milling
(c)26 - Concrete Overlay
(c)26 - Subcuts
(c)26 - Seal Coat
(c)26 - Slurry Seal
(c)26 - Microsurfacing
(c)26 - Macrosurfacing
(c)26 - Patching
(c)26 - Crack Repairs & Sealing
(c)26 - Dowel Bar Retrofit
(c)26 - Concrete or Asphalt Pavement Repair
(c)26 - Grinding
(c)26 - Mudjacking or Foamjacking
(c)26 - Approach Foreslope Flattening
(c)26 - Ditch Block Flattening
(c)26 - Superelevation Correction with Minor Grading
(c)26 - Turn Lanes
(c)26 - Median Crossovers
(c)26 - Temporary Ramp Connections
(c)26 - Curb & Gutter repair and replacement
(c)26 - Pipe Repairs or Pipe Liners
(c)26 - Pipe Installation or Jack/Bore Pipe
(c)26 - Inlet or Manhole repair or replacement
(c)27 - Lighting
(c)27 - Guardrail and Guardrail Embankment
(c)27 - Concrete Median Barrier
(c)27 - Rumble Strips
(c)27 - Approach Slab Work
(c)28 - Bridge Deck Overlays
(c)28 - Bridge Deck Replacement
(c)28 - Beam, Pier, or Abutment Repairs
(c)28 - Substructure & Deck Sealing
(c)28 - Repair of Hard Surface Slope Protection
(c)28 - Bridge Rail Retrofit
(c)28 - Painting
(d)6 - Disposal of excess right of way
