

PROJECT OVERVIEW

The City of Valley City is conducting a transportation study in the area south of I-94, between exits 292 and 294. This plan updates elements of the city's current 2045 transportation plan and will provide guidance for **future growth and roadway access** in the study area.

Study Goals

Enhance Connectivity and Accessibility

Support Economic Development

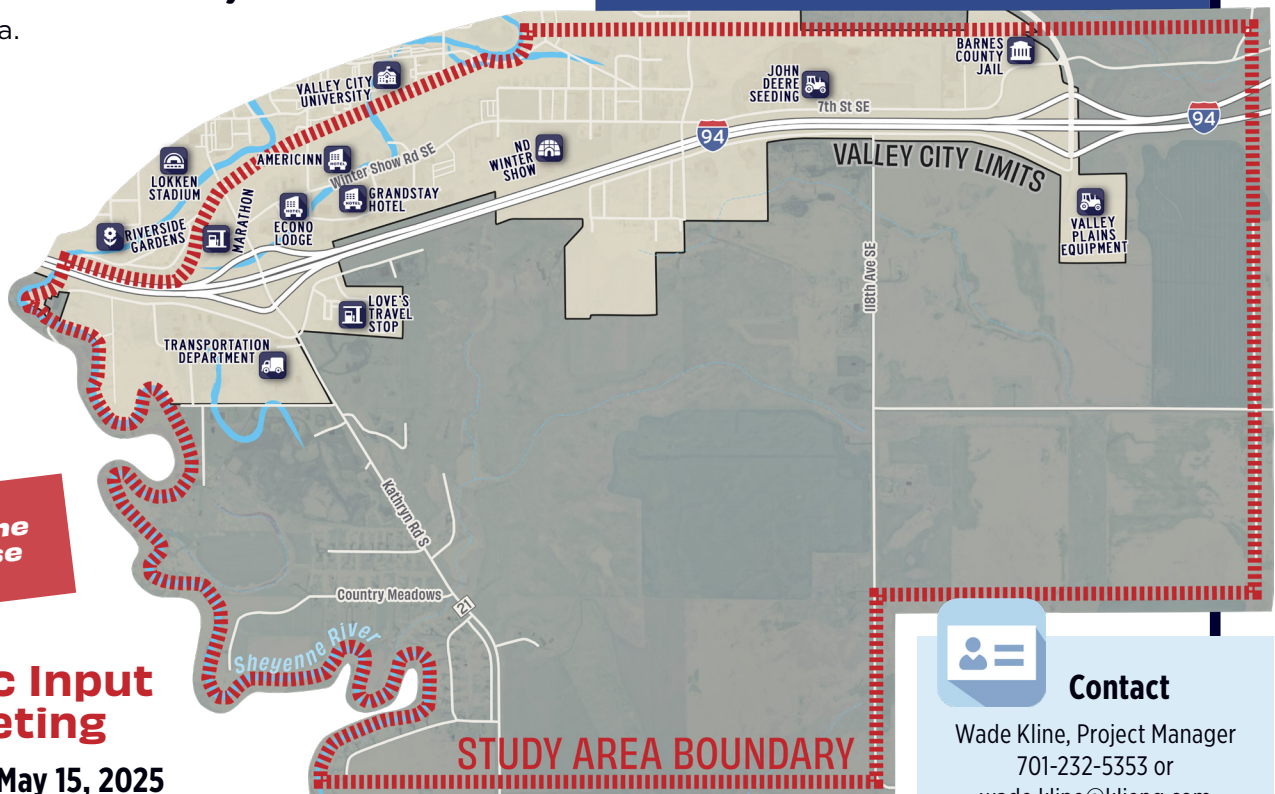

Address Infrastructure and Topographic Challenges

Engage the Community

Develop a Cost-Effective Plan

**Join us at the
Open House**

Public Input Meeting

**Thursday, May 15, 2025
5:30 pm to 7:30 pm**

AmericInn Conference Room
280 Winter Show Rd. SW
Valley City, ND 58072

Open House with formal
presentation at 5:45 p.m.
