### FY 23 Thriving Communities Program (TCP)

*This is only a summary; applicants should not rely on it to meet application requirements. Study the full grant opportunity announcement before applying for any federal grant.*

<b>Submission Deadline</b> 11/28/2023	<b>Letters of Interest Deadline</b> 11/15/2023	<b>Period of Performance</b> Three Years	<b>Expenditure Deadline</b> Determined in Cooperative Agreement
<b>Eligible Applicants</b>	States, MPO's, Local Government, Indian Tribe, Multi-State or multijurisdictional group, Private Institutions of higher education, non profits having a 501(c)(3) status with IRS		
<b>Eligible Project Types</b>	Deep-dive technical assistance, planning, and capacity building support		
<b>Program Description</b>	The Consolidated Appropriations Act, 2023 provided \$25 million to the US Department of Transportation (DOT) for a Thriving Communities Program (TCP) to develop and implement technical assistance, planning, and capacity building to help improve and foster thriving communities through transportation improvements. Through TCP, DOT will award cooperative agreements for Capacity Builders to provide technical assistance, planning, and capacity building support that advances transformative infrastructure plans, projects, and processes primarily in communities that have disproportionate rates of pollution and poor air quality, communities experiencing disproportionate human health and environmental effects.		
<b>Unique Program Items</b>	Two different program types listed under NOFO. Thriving Communities National Capacity Builder Program and Thriving Communities Regional Pilot Program. More detail on differences in program on page 2 of NOFO		
<b>Additional Information</b>	Federal Share is not required however, priority given to applications leveraging additional funding sources. \$22 Million available with award sizes ranging from \$1-\$5 Million.
