- Free virtual training sessions focused on government contracting topics
- Optional one-on-one meetings with government agencies and large Prime contractors
- Use QR code to register

A wide-angle photograph of a winding asphalt road through a landscape of rolling hills. The hills are covered in green grass and some shrubs, with some areas showing exposed brown earth. A silver pickup truck is driving on the road in the foreground. In the distance, more hills and a small body of water are visible under a clear sky.
