

NDDOT TECHNICAL CERTIFICATION PROGRAM (TCP) APPLICATION FOR TEST-OUT

Test-out requests are considered on a case-by-case basis. Requests must be based on current certification from another state.

REQUESTS ACCEPTED

Asphalt Pavement Inspection

APPLICANT RESPONSIBILITY

Review North Dakota certification requirements before submitting a request.

Provide any supporting documentation of current certification and submit a [request](#). If you do not provide supporting information your request will not be processed.

EXAMS AND SUCCESSFUL COMPLETION

An online or in-person exam that covers relevant specifications is required.

Certification will be listed on the TCP registry. The expiration date will be posted based on the end of the calendar year. *(Example 2026 is valid through 12/31/2026 and due for Renewal in the winter of 2026-2027)*
