

MEMORIAL HIGHWAY CONSTRUCTION NEWSLETTER

Supporting Local - Keeping Safe - Staying Informed

Project Update

This week on Memorial Highway: here's what crews have been working on and what's coming next.

- Ramp Work – Crews have started pouring concrete
- 46th Avenue Intersection – Underground utilities are complete and paving preparations are moving forward. The goal is to reopen the intersection September 22.
- Mainline Work – Gravel placement is planned for the weekend, with paving preparations and paving to begin next week, weather permitting.
- Utility Work – While crews continue to wait on the delivery of the control panel needed to finish the lift station, they are continuing progress on storm sewer, sanitary sewer, and watermain connections throughout the project area.

We know construction has been disruptive but we appreciate the community's continued cooperation.

Water Main Update

A water main was struck Wednesday afternoon near 40th Avenue SE, causing an outage from 32nd to 46th Avenue and south to 19th Street. Service was restored later that evening.

If you have questions or concerns regarding construction:

Reach us at **701-667-1033** or
scan the QR code to email us.

SEPTEMBER 12, 2025

Business Access Update

Some businesses between 43rd Avenue and 46th Avenue have temporarily lost direct access from Memorial Highway. To ensure customers can still reach them, access has been shifted to alternate routes. Business owners have been notified, and access will continue to be maintained throughout construction.

Access the following businesses by using 46th Avenue SE, passing the "Road Closed" sign, and taking your first left:

- North Sky Pawn
- Open Water Marine

Reach these businesses using 43rd Ave SE and turning right into the Windsor Storage lot:

- Windsor Storage
- Lux Wealth Advisors
- Heart River Animal Hospital

Take 40th Avenue SE off of Memorial Highway, a left at 19th Avenue SE and one more left at 43rd Avenue SE into the bank parking lot to access:

- Townsquare Media
